DEPUTY ASSISTANT ATTORNEY GENERAL
OFFICE OF LEGAL COUNSEL

Department of Justice
Washington, D.C. 20530

FEB 8 1977

Mr. Howard Roffman
1111 Southwest 16th Avenue, Apt. 156
Gainsville, Florida 32601

Dear Mr. Roffman:

This responds to your Freedom of Information Act request received by this Office on January 6, 1977. After an extensive search of Department files, we are making available to you, as a matter of administrative discretion, documents that are exempt from compulsory disclosure which we have located and which fall within the scope of your request.

We were unable to locate any documents which correspond to the first, fifth, and sixth categories of your request. Moreover, we were unable to locate in the Department a duplicate original (that is, a signed copy) of Mr. Marshall's October 29, 1966 letter, although you will note that a December 8, 1966 memorandum from Mr. Martin Richman to the files indicates that an "executed" copy of the letter is in the OLC safe file. The safe file has been thoroughly searched, as have all the files in which such a copy could logically be filed, and our search has been unsuccessful. You are being granted access to all of the documents that we have been able to locate which arguably fall within the scope of your request.

These documents are 38 in number and constitute 149 pages of material. The search time amounted to 17 hours of professional ($8.00 per hour) and 10 hours of clerical time ($4.00 per hour) or $173.00 (the first quarter hours having been excluded); the duplication fee is $14.90 (149 pages x 10¢ per page) for a total of $187.90. However, as a matter of discretion in the circumstances of this request, including the fact that we did not furnish you with an estimate that fees of the indicated magnitude were likely to be incurred, we have voluntarily determined to reduce these fees. We will forward these documents to you upon receipt of your check in the amount of $25.00, payable to the Treasurer of the United States.

Sincerely,

Mary C. Lawton
